

2010-2011 Faculty Mini-Grants Awarded

Sporting Clay Shoot Proceeds Fund Faculty Mini-Grants

Each academic year when a college instructor starts their class preparations and looks at their own department budget, they start a wish list of what they could do if they just had a piece of equipment or the opportunity to use a new innovative technique for a better teaching and learning experience. The Foundation allows the instructor to apply for a mini-grant to purchase that special item which can make a difference in their teaching efforts.

In the 2010-11 academic year, several faculty mini grants totaling over \$9,000 were fully or partially funded for that purpose from the proceeds of the Foundation Sporting Clay Shoot event.

They include:

Steve Lueth, Instrumental Music Department – Electronic Page Turner, Music Reader Software & Tripod

Bill Forst, Art Department – Bats for Ceramic Throwing Wheels

Stephannie Goerl & Teresa Johnson, English Department- Literature DVD's

Vern Fryberger, Vocal Music Department – Introduction to Music DVD's

Victor Martin, Agriculture Department – Funds to Dig & Secure a Soil Pit

Guy Causey, Chemistry Department – Laboratory Supplies
