

Cookbook Sales Provide Funds for Outdoor Furniture

"Come Sit With Us"

The Barton Community College's 40th Anniversary Cookbook sales were very successful. The books not only gifted the buyers with a good selection of favorite recipes, but also accomplished the fundraising goal to purchase outdoor ornamental furniture for the campus. From the proceeds of the sales the Foundation was able to purchase ten Barton cement benches to sit outside many of the classrooms and they are being used by students and guests. Also two very nice round tables and benches were placed on the north patio of the student union and have been utilized for lunch breaks, studying, and a nice place just to relax and visit with co-workers or friends.

These new fixtures have given the campus a warm and welcoming atmosphere and watching the activity in the Cougar birdbath (also purchased with the proceeds of the cookbook) is good entertainment if you are sitting at one of the tables.

Thanks to all of the good cooks that shared their recipes and to those who purchased the cookbook. It will be a wonderful keepsake and also a reminder of how important it is to take time to sit, relax a little, and enjoy your surroundings.
