

Comings & Goings

for the months of July/August 2011

Activities and Events for Silver Cougar Club Members!

HAVE A GREAT SUMMER!

July and August are here again and the Foundation is running “full steam ahead” with our summer schedule. The Big Benefit Auction, annual Foundation audit, staff vacations and regular daily work require so much time these couple of months that there will be no classes or special events for the Silver Cougar Club. Please know that we will always make time to visit with you if you have any questions or concerns – just give us a call. Remember...the Great Bend campus is closed on Fridays through August 5th. We are in the office Monday through Thursday, 7:30 a.m. – 5:30 p.m.

IN THE MEANTIME...

Barton’s Workforce Training and Community Education are offering many different workshops and seminars throughout the summer which may interest you. These are not Silver Cougar classes, so you will need to contact Janet Kirmer at (620) 792-9294 for more information or to register. The cost listed with each course is the amount you will need to pay. There are no discounts for being a SCC member.
