

NOTE

All the biographical sketches published in this history were submitted to their respective subjects, or to the subscribers from whom the facts were primarily obtained, for their approval or correction before going to press, and a reasonable time was allowed in each case for the return of the typewritten copies. Most of them were returned to us within the time allotted, or before the work was printed, after being corrected or revised, and these may therefore be regarded as reasonably accurate.

A few, however, were not returned to us, and, as we have no means of knowing whether they contain errors or not, we can not vouch for their accuracy. In justice to our readers, and to render this work more valuable for reference purposes, we have indicated these uncorrected sketches by a small asterisk (*), placed immediately after the name of the subject.
