Prof. Stevenson, of Ohio, says: "He who has a family of children, or to do with children, should purchase this volume at even a price equal to its weight in silver."

President Bateman, of Knox College, says: "It is a rich Thesaurus."

The Chicago Inter Ocean says: "It covers a new field, and by methods the best. It is nothing less than a treasure."

The Advance says: "The work is indispensable for the family in general, not less than for persons of literary pursuits, alongside of Webster's Unabridged, and the standard Encyclopedias."
