

## American Commonwealths.

EDITED BY  
HORACE E. SCUDDER.

---

A series of volumes narrating the history of such States of the Union as have exerted a positive influence in the shaping of the national government, or have a striking political, social, or economical history.

The commonwealth has always been a positive force in American history, and it is believed that no better time could be found for a statement of the life inherent in the States than when the unity of the nation has been assured; and it is hoped by this means to throw new light upon the development of the country, and to give a fresh point of view for the study of American history.

This series is under the editorial care of Mr. Horace E. Scudder, who is well known both as a student of American history and as a writer.

The aim of the Editor will be to secure trustworthy and graphic narratives, which shall have substantial value as historical monographs and at the same time do full justice to the picturesque elements of the subjects. The volumes are uniform in size and general style with the series of "American Statesmen" and "American Men of Letters," and are furnished with maps, indexes, and such brief critical apparatus as add to the thoroughness of the work.

Speaking of the series, the *Boston Journal* says: "It is clear that this series will occupy an entirely new place in our historical literature. Written by competent and aptly chosen authors, from fresh materials, in convenient form, and with a due regard to proportion and proper emphasis, they promise to supply most satisfactorily a positive want."

PRESS NOTICES.

←  
"VIRGINIA."

Mr. Cooke has made a fascinating volume — one which it will be very difficult to surpass either in method or interest. . . . True historic insight appears through all these pages, and an earnest desire to do all parties and religions perfect justice. The story of the settlement of Virginia is told in full. . . . It is made as interesting as a romance. — *The Critic* (New York).

No more acceptable writer could have been selected to tell the story of Virginia's history. — *Educational Journal of Virginia* (Richmond, Va.).

"OREGON."

The long and interesting story of the struggle of five nations for the possession of Oregon is told in the graphic and reliable narrative of William Barrows. . . . A more fascinating record has seldom been written. . . . Careful research and pictorial skill of narrative commend this book of antecedent history to all interested in the rapid march and wonderful development of our American civilization upon the Pacific coast. — *Springfield Republican*.

There is so much that is new and informing embodied in this little volume that we commend it with enthusiasm. It is written with great ability. — *Magazine of American History* (New York).

"MARYLAND."

With great care and labor he has sought out and studied original documents. By the aid of these he is able to give his work a value and interest that would have been impossible had he followed slavishly the commonly accepted authorities on his subject. His investigation in regard to toleration in Maryland is particularly noticeable. — *New York Evening Post*.

A substantial contribution to the history of America. — *Magazine of American History*.

"KENTUCKY."

Professor Shaler has made use of much valuable existing material, and by a patient, discriminating, and judicious choice has given us a complete and impartial record of the various stages

through which this State has passed from its first settlement to the present time. No one will read this story of the building of one of the great commonwealths of this Union without feelings of deep interest, and that the author has done his work well and impartially will be the general verdict. — *Christian at Work* (New York).

A capital example of what a short State history should be. — *Hartford Courant*.

#### "KANSAS."

In all respects one of the very best of the series. . . . His work exhibits diligent research, discrimination in the selection of materials, and skill in combining his chosen stuff into a narration that has unity, and order, and lucidity. It is an excellent presentation of the important aspects and vital principles of the Kansas struggle. — *Hartford Courant*.

#### "MICHIGAN."

An ably written and charmingly interesting volume. . . . For variety of incident, for transitions in experience, for importance of events, and for brilliancy and ability in the service of the leading actors, the history of Michigan offers rare attractions; and the writer of it has brought to his task the most excellent gifts and powers as a vigorous, impartial, and thoroughly accomplished historian. — *Christian Register* (Boston).

#### "CALIFORNIA."

Mr. Royce has made an admirable study. He has established his view and fortified his position with a wealth of illustration from incident and reminiscence. The story is made altogether entertaining. . . . Of the country and its productions, of pioneer life and character, of social and political questions, of business and industrial enterprises, he has given us full and intelligent accounts. — *Boston Transcript*.

It is the most truthful and graphic description that has been written of this wonderful history which has from time to time been written in scraps and sketches. — *Chicago Inter-Ocean*.

## ESTIMATES OF THE PRESS.

### "JOHN QUINCY ADAMS."

That Mr. Morse's conclusions will in the main be those of posterity we have very little doubt, and he has set an admirable example to his coadjutors in respect of interesting narrative, just proportion, and judicial candor. — *New York Evening Post*.

Mr. Morse has written closely, compactly, intelligently, fearlessly, honestly. — *New York Times*.

### "ALEXANDER HAMILTON."

The biography of Mr. Lodge is calm and dignified throughout. He has the virtue — rare indeed among biographers — of impartiality. He has done his work with conscientious care, and the biography of Hamilton is a book which cannot have too many readers. It is more than a biography; it is a study in the science of government. — *St. Paul Pioneer-Press*.

### "JOHN C. CALHOUN."

Nothing can exceed the skill with which the political career of the great South Carolinian is portrayed in these pages. The work is superior to any other number of the series thus far, and we do not think it can be surpassed by any of those that are to come. The whole discussion in relation to Calhoun's position is eminently philosophical and just. — *The Dial* (Chicago).

### "ANDREW JACKSON."

Prof. Sumner has, . . . all in all, made the justest long estimate of Jackson that has had itself put between the covers of a book. — *New York Times*.

One of the most masterly monographs that we have ever had the pleasure of reading. It is calm and clear. — *Providence Journal*.

### "JOHN RANDOLPH."

The book has been to me intensely interesting. . . . It is rich in new facts and side lights, and is worthy of its place in the already brilliant series of monographs on American Statesmen. — Prof. MOSES COIT TYLER.

Remarkably interesting. . . . The biography has all the elements of popularity, and cannot fail to be widely read. — *Hartford Courant*.

### "JAMES MONROE."

In clearness of style, and in all points of literary workmanship, from cover to cover, the volume is well-nigh perfect. There is also a calmness of judgment, a correctness of taste, and an absence of partisanship which are too frequently wanting in biographies, and especially in political biographies. — *American Literary Churchman* (Baltimore).

The most readable of all the lives that have ever been written of the great jurist. — *San Francisco Bulletin*.

### "THOMAS JEFFERSON."

The book is exceedingly interesting and readable. The attention of the reader is strongly seized at once, and he is carried along in spite of himself, sometimes protesting, sometimes doubting, yet unable to lay the book down. — *Chicago Standard*.

The requirements of political biography have rarely been met so satisfactorily as in this memoir of Jefferson. — *Boston Journal*.

### "DANIEL WEBSTER."

It will be read by students of history; it will be invaluable as a work of reference; it will be an authority as regards matters of fact and criticism; it hits the key-note of Webster's durable and ever-growing fame; it is adequate, calm, impartial; it is admirable. — *Philadelphia Press*.

The task has been achieved ably, admirably, and faithfully. — *Boston Transcript*.

"ALBERT GALLATIN."

It is one of the most carefully prepared of these very valuable volumes, . . . abounding in information not so readily accessible as is that pertaining to men more often treated by the biographer. . . . The whole work covers a ground which the political student cannot afford to neglect. — *Boston Correspondent Hartford Courant*.

Frank, simple, and straightforward. — *New York Tribune*.

"JAMES MADISON."

The execution of the work deserves the highest praise. It is very readable, in a bright and vigorous style, and is marked by unity and consequentiveness of plan. — *The Nation* (New York).

An able book. . . . Mr. Gay writes with an eye single to truth. — *The Critic* (New York).

"JOHN ADAMS."

A good piece of literary work. . . . It covers the ground thoroughly, and gives just the sort of simple and succinct account that is wanted. — *Evening Post* (New York).

A model of condensation and selection, as well as of graphic portraiture and clear and interesting historical narrative. — *Christian Intelligencer* (New York).

"JOHN MARSHALL."

Well done, with simplicity, clearness, precision, and judgment, and in a spirit of moderation and equity. A valuable addition to the series. — *New York Tribune*.

"SAMUEL ADAMS."

Thoroughly appreciative and sympathetic, yet fair and critical. . . . This biography is a piece of good work — a clear and simple presentation of a noble man and pure patriot; it is written in a spirit of candor and humanity. — *Worcester Spy*.

A brilliant and enthusiastic book, which it will do every American much good to read. — *The Beacon* (Boston).

### "WASHINGTON IRVING."

Mr. Warner has not only written with sympathy, minute knowledge of his subject, fine literary taste, and that easy, fascinating style which always puts him on such good terms with his readers, but he has shown a tact, critical sagacity, and sense of proportion full of promise for the rest of the series which is to pass under his supervision. — *New York Tribune*.

It is a very charming piece of literary work, and presents the reader with an excellent picture of Irving as a man and of his methods as an author, together with an accurate and discriminating characterization of his works. — *Boston Journal*.

It would hardly be possible to produce a fairer or more candid book of its kind. — *Literary World* (London).

### "NOAH WEBSTER."

Mr. Scudder's biography of Webster is alike honorable to himself and its subject. Finely discriminating in all that relates to personal and intellectual character, scholarly and just in its literary criticisms, analyses, and estimates, it is besides so kindly and manly in its tone, its narrative is so spirited and enthralling, its descriptions are so quaintly graphic, so varied and cheerful in their coloring, and its pictures so teem with the bustle, the movement, and the activities of the real life of a by-gone but most interesting age, that the attention of the reader is never tempted to wander, and he lays down the book with a sigh of regret for its brevity. — *Harper's Monthly Magazine*.

It fills completely its place in the purpose of this series of volumes. — *The Critic* (New York).

### "HENRY D. THOREAU."

Mr. Sanborn's book is thoroughly American and truly fascinating. Its literary skill is exceptionally good, and there is a racy flavor in its pages and an amount of exact knowledge of interesting people that one seldom meets with in current literature. Mr. Sanborn has done Thoreau's genius an imperishable service. — *American Church Review* (New York).

Mr. Sanborn has written a careful book about a curious man, whom he has studied as impartially as possible; whom he admires warmly but with discretion; and the story of whose life he has told with commendable frankness and simplicity. — *New York Mail and Express*.

It is undoubtedly the best life of Thoreau extant. — *Christian Advocate* (New York).

### "GEORGE RIPLEY."

Mr. Frothingham's memoir is a calm and thoughtful and tender tribute. It is marked by rare discrimination, and good taste and simplicity. The biographer keeps himself in the background, and lets his subject speak. And the result is one of the best examples of personal portraiture that we have met with in a long time. — *The Churchman* (New York).

He has fulfilled his responsible task with admirable fidelity, frank earnestness, justice, fine feeling, balanced moderation, delicate taste, and finished literary skill. It is a beautiful tribute to the high-bred scholar and generous-hearted man, whose friend he has so worthily portrayed. — *Rev. William H. Channing* (London).

### "JAMES FENIMORE COOPER."

We have here a model biography. The book is charmingly written, with a felicity and vigor of diction that are notable, and with a humor sparkling, racy, and never obtrusive. The story of the life will have something of the fascination of one of the author's own romances. — *New York Tribune*.

Prof. Lounsbury's book is an admirable specimen of literary biography. . . . We can recall no recent addition to American biography in any department which is superior to it. It gives the reader not merely a full account of Cooper's literary career, but there is mingled with this a sufficient account of the man himself apart from his books, and of the period in which he lived, to keep alive the interest from the first word to the last. — *New York Evening Post*.

### "MARGARET FULLER OSSOLI."

Here at last we have a biography of one of the noblest and the most intellectual of American women, which does full justice to its subject. The author has had ample material for his work, — all the material now available, perhaps, — and has shown the skill of a master in his use of it. . . . It is a fresh view of the subject, and adds important information to that already given to the public. — *REV. DR. F. H. HEDGE*, in *Boston Advertiser*.

He has filled a gap in our literary history with excellent taste, with sound judgment, and with that literary skill which is preëminently his own. — *Christian Union* (New York).

Mr. Higginson writes with both enthusiasm and sympathy, and makes a volume of surpassing interest. — *Commercial Advertiser* (New York).

"RALPH WALDO EMERSON."

A biography of Emerson by Holmes is a real event in American literature. . . . He has brought Emerson himself so near, and painted him for us with a pencil so loving and yet so just, that it will remain with many of us a question which shall be hereafter most dear to us, the man whom the artist thus reveals, or the artist himself. — *Standard* (Chicago).

Dr. Holmes has written one of the most delightful biographies that has ever appeared. Every page sparkles with genius. His criticisms are trenchant, his analysis clear, his sense of proportion delicate, and his sympathies broad and deep. — *Philadelphia Press*.

"EDGAR ALLAN POE."

Mr. Woodberry has contrived with vast labor to construct what must hereafter be called the authoritative biography of Poe — a biography which corrects all others, supplements all others, and supersedes all others. — *The Critic* (New York).

The best life of Poe that has yet been written, and no better one is likely to be written hereafter. This is high praise, but it is deserved. Mr. Woodberry has spared no pains in exploring sources of information; he has shown rare judgment and discretion in the interpretation of what he has found; he has set forth everything frankly and fairly; and he has brought to bear upon the critical part of his work a keen instinct, a well-informed mind, a sound judgment, and the utmost catholicity of spirit. — *Commercial Advertiser* (New York).

"NATHANIEL PARKER WILLIS."

Prof. Beers has done his work sympathetically yet candidly and fairly and in a philosophic manner, indicating the status occupied by Willis in the republic of letters, and sketching graphically his literary environment and the main springs of his success. It is one of the best books of an excellent series. — *Buffalo Times*.

The work is sober, frank, honest, trustworthy, and eminently readable. — *The Beacon* (Boston).

A delightful biographical study. — *Brooklyn Union*.
