STUDENT SUCCESS

Student Success is offered as a three credit hour course. Successful completion of this course is mandatory for all on-campus and Ft. Riley students who meet either of the following two criteria:

- 1) they declare themselves as a degree-seeking student and they enroll in more than six hours in any given semester and have tested with low ASSET, Accuplacer, ACT, or SAT scores in two or more areas;
- 2) they are identified through advisors and coaches as needing study skill development through the advising process. Additionally, the courses may be taken voluntarily by any student seeking to improve their basic skills.
